

PRISM

*All Natural Formulation
Water Soluble Degreaser*

PRISM is the all natural formulation for attacking the heaviest forms of grease, oil and resin build up. This citrus-base compound contains additional surfactants which allow it to be easily rinsed with water. Use **PRISM** to remove glues, tapes, resins, stubborn heel marks and a variety of other difficult-to-clean problems. **PRISM** works extremely well for the removal of marking tapes, decals, masking tape and associated adhesives.

DIRECTIONS:

Always pre-test product on an inconspicuous area prior to final application. Spray on to target area and allow sufficient working time. For more difficult problems, mechanical agitation may be required with a bristle brush or rag. Wipe surface clean or rinse with water. Stubborn problems may require a repeated application of the product.

FUNCTION

Tar and Grease Remover.

DESIGNED FOR

Fully biodegradable tar and grease remover for environmentally sensitive applications and safety for users. For use in all tar, crude oil, asphalt and general degreasing applications.

FORMULATION

Citrus distillate, penetrating, coupling suspended agent.

FEATURES AND BENEFITS

Citrus based- Environmentally friendly.

Emulsifiable- Water rinsable.

Surfactant Builders- High wetting ability.

ADDITIONAL APPLICATIONS

None.

DEMO

Spray on to target surface and agitate with bristle brush. Rinse off or wipe with rag.

TARGET ACCOUNTS

Government and municipal accounts requiring environmentally sound products.

FEDERAL REGISTRATION

None.

ALTERNATE PACKAGING

Bulk Gallons.

SPECIAL PRECAUTIONS

Avoid prolonged contact with the skin.
